Topic: Picnic Area Development & Location – Peters' Complex (on Site)

The members of the Commission met at the Peters' Complex to look at possible locations for a picnic area.

We already have some benches and tables. The Commissioners discussed possible locations; the end of the new playground, for the convenience of parents and the end of Field # 6 closest to the parking lot (where we already have one bench located there).

The Commission decided that they would put half of what we have at each location. They would also like our benches and tables either located on cement labs and anchored or if not on slabs anchored in some fashion.

The Commission will discuss this further at their next meeting.

Mrs. Finkeldey motioned to adjourn. Mr. Neri seconded the motion and it passed unanimously.

The meeting adjourned at 6:45 p.m.
